Observations of External Academic Audit Team

Department: Anthropology

Assessment Period: 2014-2019

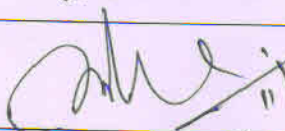

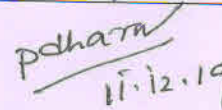

After reviewing the information submitted by the Department for the Assessment Period 2014-19 and interacting with faculties of the Department, the following **observations** are made:

- The teaching according to the academic schedule is **good**.
- The arrangement of tutorial classes is **regular**.
- Research guidance is **methodical**.
- The number of Research Projects of the Department is **limited**.
- Participation in seminars / symposia by the faculty members is **good**.
- Organization of seminars / symposia is **good**.
- Number of publications and quality of publications is **good**.
- Success rate of the students is **very good**.
- Employment of students is **average**.

The overall academic performance of the Department is **good**.

Recommendation(s):

- It is recommended that the Department should give emphasis on funding for research project.
- It is recommended that the Department should give emphasis on quality publications.
- The Department should give emphasis on the intake more students.

Department: Bio-Medical Laboratory Science & Management & CND

Assessment Period: 2014-2019

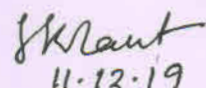

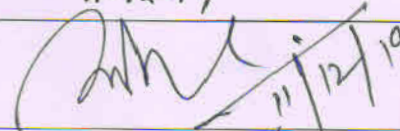

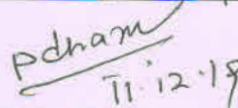

After reviewing the information submitted by the Department for the Assessment Period 2014-19 and interacting with faculties of the Department, the following **observations** are made:

- The teaching according to the academic schedule is **good**.
- Research guidance is **very good**.
- The number of Research Projects of the Department is **satisfactory**.
- Participation in seminars / symposia by the faculty members is **average**.
- Organization of seminars / symposia is **lacking**.
- Number of publications and quality of publications is **satisfactory**.
- Success rate of the students is **very good**.
- Employment of students is **average**.

The overall academic performance of the Department is **good**.

Recommendation(s):

- Department should give emphasis to maintain as well as to increase the intake of students.
- It is recommended that the Department should give emphasis on funding for research project.
- It is recommended that the Department should give emphasis on organizing conferences.
- It is recommended that the Department should give emphasis on participation in conferences.
