Assistant Professor, Dept of Mathematics, G.D.College, Begusarai, India, 851101

## (A) Kindly rate the following points about the University:

### 1. How do you rate the curriculum of the University?

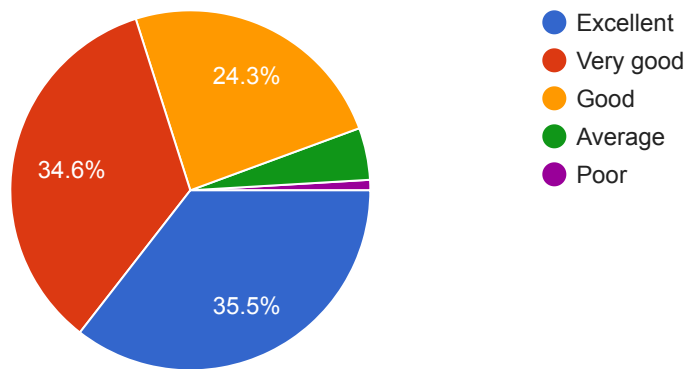

108 responses

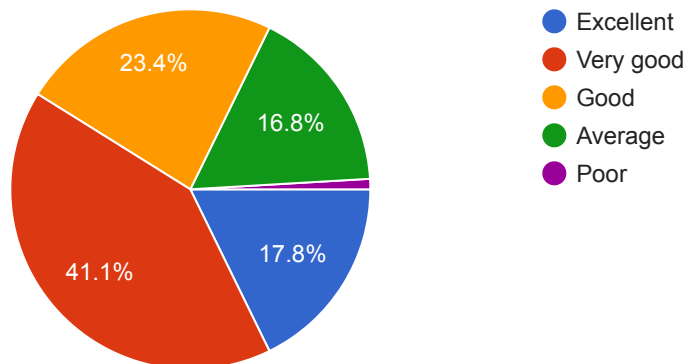

## 2. How do you rate the courses that you have learnt in relation to your current occupation?

107 responses

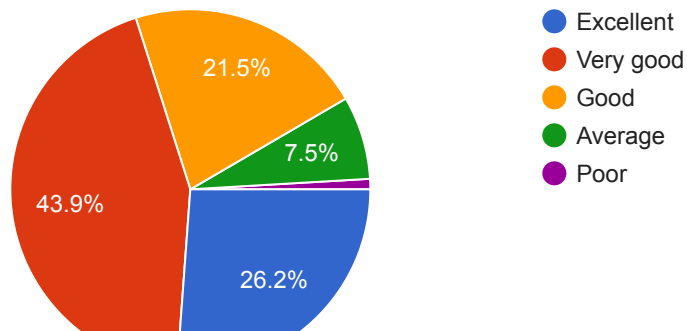

## 3. How do you rate the courses in terms of employability of the University?

107 responses

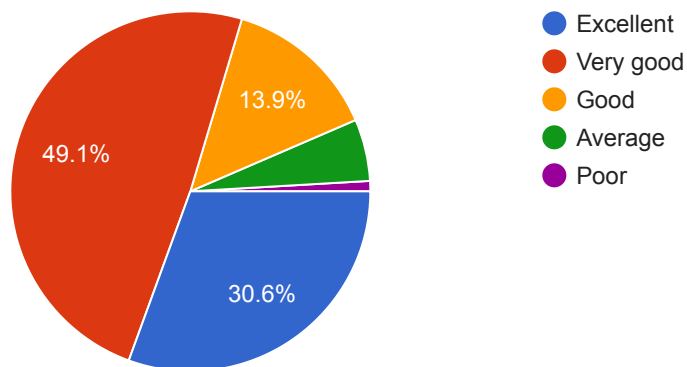

#### 4. How do you rate the student support system of the University?

107 responses

#### 5. How do you rate the Quality of teaching learning of the University?

108 responses

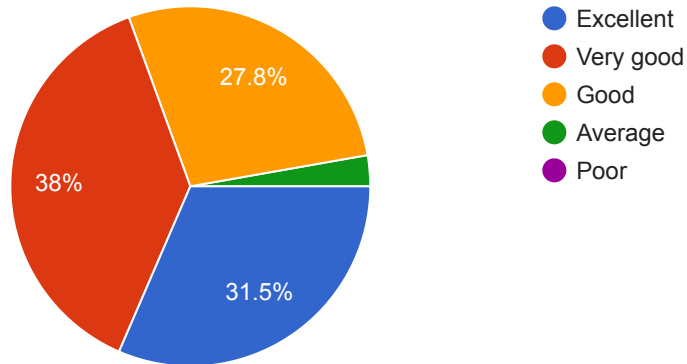

#### 6. How do you rate the University campus as environment friendly?

108 responses

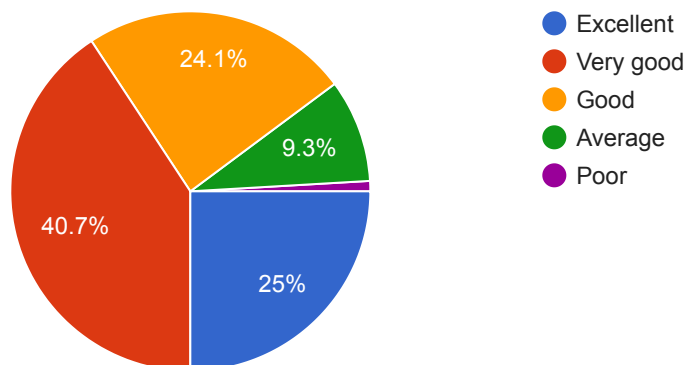

## 7. How do you rate the admission procedure of the University?

108 responses

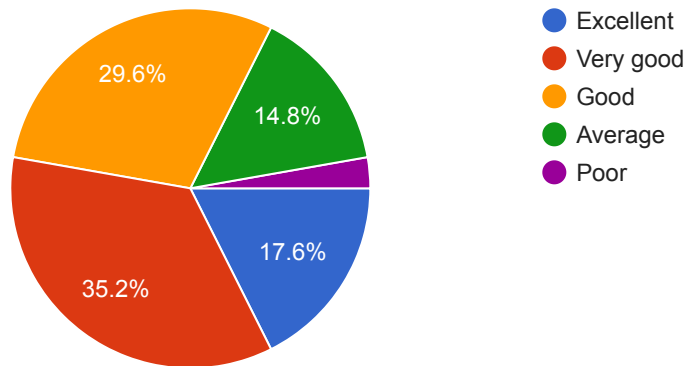

## 8. How do you rate the Infrastructural facility of the University?

108 responses

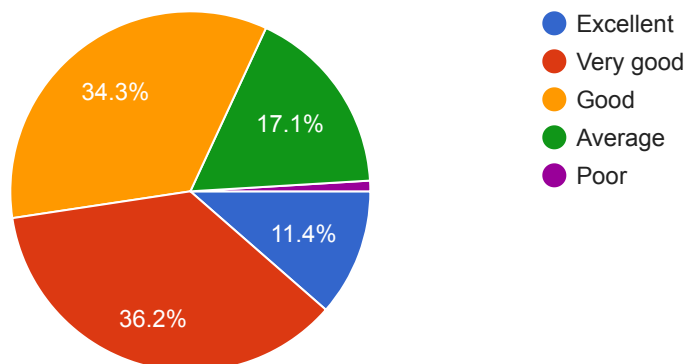

## 9. How do you rate the Canteen Facility of the University?

108 responses

## 10. How do you rate the Hostel Facilities of the University?

105 responses

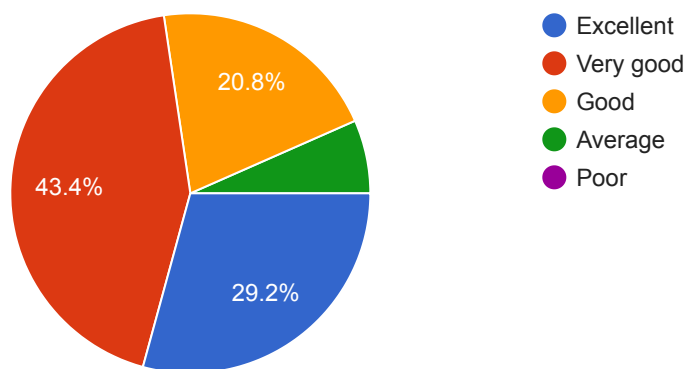

## 11. How do you access VUAA as network of old friends of the University?

106 responses

## 12. Overall rating of the University

106 responses

(B) Your valuable comments regarding improvement of the University:

1.

57 responses

Administrative structure volatile, no permanent Deans are there. HOD's are appointed for short time span

Very nice green campus,

Hostel facilities must be updated

University campus should have free WiFi.

The Hostel and Quarters for Employees will be enhanced such that the University will be vibrant 24 by 7.

Laboratory facility with high end computing machine need to be improved.

Mentality of Office staffs regarding College staffs Should not be treated as " Boss-Client" relationship.

STUDENT FRIENDLY ATMOSPHERE TO BE INCREASE

Language Laboratory facility should be extended to every student towards improvement of communication skills.

The university has a beautiful greenery campus.

Need more books in the central library.

Every Application procedure should be online based not offline

Bus service needed from University to Midnapore bus stand and Midnapore railway station.

Improvement of teaching learning procedure

Support from V.C to the department for advance technology

Some old students have not received any information about your alumni association. Plz try to contact them.

There should establish many hostels such as pg , research scholar, ladies hostels.

Needs more transportation from city.

Connection all buildings by shed.

Must need to increase faculty position each and every department.....

NET, SET related curricular must be needed

Need modern laboratory support, Expansion number of laboratories. Need more classrooms

Technology is the backbone of the current generation. Courses related to technology like B.Tech, M.Tech can add value in the cap of our beloved University.

I think departmental professors should guide students for national level exam

If some RC/OP Courses organize by the different departments or by the University it will be very helpful for us.

Teaching system should be improved..and have some procedure for NET/SET for the benefit of the student..

Teaching quality should be updated

Syllabus of P.G course should be more developed and NET oriented.

Make the waiting list admission procedure do fast

Professional course should be started under industry experts guidance

Campus Recruitment process should be improved

if proper camping is been done then the scope for getting jobs might will increase.

Coordinator of computer science department in PG ... Not good. Please take decision to change the coordinator.

University provide very good research facility for research scholars but to my opinion some modern instruments also need for research work in this modern era.

I think there should be a separate human resource management section for helping and addressing the problems of students, research scholars and staff of the university. Most people don't know who to turn to when they face adversities.

Increase Lab facilities

Needs more research work

The scope for research work should be more encouraged.

Teaching Technic more improve

Cherish the moments spent there by me.

Teacher student relationship should be better

I have not been in touch with the university for the last 24 years. So I would like to reserve my comments for the time being.

Need better toilet hygiene

CBCS System introduced in BA be made clearly comprehensible to the students

Make the University little political movement free.

Quality of teacher must be improved.

More companies invited to give opportunity the students

Improvement on Research area.

Should have focus on the CSIR\_NET syllabus..Must be given top priority on that perticular topics.

Research area need more attention

Research Lab facilities (1-1 correspondence between fellow and computer, more software tools needed)

Funding for the research is very important and please provide possible maximum funding for this purpose

Need more fair / transoarent selection of all level of employees including VC and faculty members

Quality of teachers

Please do some courses ,like computer training,Java c++ .

TPO cell must improve to bring better companies to our University , this will not only give employment but also advertise as a well equipped University so that more and more students come to learn and explore there knowledge.

Eco friends environment

2.

43 responses

Very few amount of budget is allocated for research

Smart campus

Canteen must be improved

More faculties are to be recruited.

The shortage of faculties must be removed. Students would not get a chance to opt more electives due to the shortage of faculties.

Cloud based central computing system

It is not true that, University staffs know every thing but College staffs know nothing.

EVALUATION SYSTEM TO BE DONE CENTRALLY FOR CBCS SYSTEM

Series of lectures on various topics should be organized throughout the year in every department. Dates, list of speakers along with title of the lectures and abstracts should be made available to the students at the beginning of the semester.

If the bus service facility is improved, then it will be nice to all students.

Need direct discussions with the students about academic and any other issues.

Result of every semester should be published online, it will be very helpful for students

Research scholar want free access Elsevier, IEEE and another journals.

Improvements of teaching duration

Advance computer

Request to implement inter disciplinary research for physical sciences.

Needs more faculty members in each department.

Statistics, Pure Mathematics dept.....need to start

Need latest computer configuration

The location of the University is far from the city like Kolkata, but really close to the premier Institute like IIT KGP. Under graduate in engineering can really be flourished under their eminence guidance.

Practical class should be increased

Post in genetics and molecular biology special paper should increase as per student interest

Seat in genetics and molecular biology special paper should increase as per student interest.

Giving proper lab facilities to students

There could be review system for every departmental teachers where student could give comments and Administrator could supervise the summary.

Quality of Teaching should be improved

Practical implementation of knowledge is must so that the students can face the real world problems. Learning process must be done through various softwares especially in the field of commerce so that the students understand the real life problem and they develop some sort of proficiency in it.

The coordinator doesn't give support for M.Sc candidate . That is many candidate loss their job and future.

One separate section required for different work purposes of the research scholars only of this university.

A healthy working environment should be ensured for the research scholars and they must be provided with basic necessities, infrastructure and instruments, necessary for carrying out their research work unhindered.

Increase number of Computer

Job oriented course

Need psychological grooming sessions to reduce educational pressures and depression.

Create More Employment Opportunity

Teaching is not knowledge oriented, rather it is marks oriented.

Percentage of marks is a major factor to compete others University students

If possible then arrange some mock tests regarding the syllabus of all India examination like CSIR\_NET, IIT\_GATE

Instrument facility should be improved with the expert.

Plagiarism check time for thesis submission should be less

Try to increase number of faculty members .

Award vs punishment system among all employees

International study link

Please do counselling for placement of students

CCTV

29 responses

Campus is very nice

Syllabus of each subject is very good

V. C. Must be students friendly

Introduce more job orientated courses.

As the name of the department, the computing facility, meteorology and Oceanography related studies can be encouraged. There should be modern art of facilities (laboratory) for these subjects.

Collaborative research projects with other institutes in India and abroad should be encouraged.

Students must get top priority in any purpose.

The provisional certificate should be given online after publishing final semester result, like any other University

We want free access of Turnitin plagiarism software.

Classes are to taken regularly

Request to implement Integrated PhD course .

Curriculum should be more service and application oriented.

Need a Career counselling cell

Need latest softwares like matlab, drawing package, antivirus, plagiarism tester etc.

Space is enormous, facility is limited. These are very true, but, noble mind can create a big in nothing. Good projects can help to develop infersturcure, and that can attract many good students.

Teacher should take class on time(not for all teachers )

Motivational classes should be arranged every year.

Importent notices informed students by mailing

Courses should be revised & thought by knowledgeable persons for those areas. We got excellent teachers as well as teachers having no knowledge on subject. In university level, all we dream to see excellent teachers to whom we will bow down our heads for getting knowledge.

V.U. administration office is very good .

Sincere request to the concerned authorities to look after the instruments in each department which are out of order and in need of repair. Inoperable instruments are always a cause of concern for the research scholars as they cause lag in the work in addition to loss of resources, time and manpower.

Another one water guard for drinking water mostly out side of general Practical room.

Cammpassing

Frequent hands on training on modern analytical instruments.

Accommodation facilities all research fellows in Campus

Regular syllabus update with market demand, starting market / society based courses.

Secular Political views

Improvement of lab for lab based subject....the condition of general lab is very very poor

Well infrastructure

4.

21 responses

Facility for student must be improved

Faculties are publishing good quality and good number of papers, book, etc.

Introduce post doctorate programme.

Alumni network can be made more stronger.

All the persons involved with this University must be helpful and cooperative.

The quality of food in hostels is very poor, it should be improved

Please minimise the course entry fees.

Exams are arranged in global way

If possible please create a good play ground and a stadium.

Need laboratory attendent for each laboratory.

Research is the base of any university to flourish. A group of young energetic researchers in the form of faculty or scholar can be an asset of the University like this. A university with more than 30 years of age can add many wings in the field of technological research.

Homogeneous treatment for students (not for all )

Lab infrastructure and instruments should be more available.

Please remove asst. Prof. Sarbari pramanic from coordinator post of m.sc, computer science,vu. Plz save the future of CS student of VU. U can review this proposal from any pass out CS, M.Sc batch . U can get same result.

Change the laptop which is use in the timing of general class.

Teacher student relationship

Research Scholars deserve more respect from University for their hard works

Placement cell with university industry interface.

Others Up to VC

Please transform moderate classes into smart class, and do more international seminar..

Excellent library facilities
