- All manuscripts should be typed in double space, only on one side of the paper, with a wide margin (maximum one inch) on either side.
- All quotations must be carefully checked for accuracy and duly acknowledged. Quotations should be unaltered, except for emphasis, bracketed insertions, etc. which must be indicated clearly. Block quotations must be given in indent to set them off from the text.
- Footnotes should be listed consecutively in the text with subscript Arabic numerals. All footnotes typed serially in double space should be given separately at the end of the text. If there are bibliographical references and footnotes, references should follow the footnotes in a separate sheet.
