Dated : 08.07.2024.

NOTIFICATION

As reported by our patrolling security staff members and also it has been observed that some of the students of our University after completion of their allotted classes are moving here and there, sitting inside the forest and also sitting on the tree at different darkness places in the University campus after the sunset resulting in any untoward accident may take place as there are so many poisonous insects and snakes etc. in the forest. To avoid such an untoward accident in the University campus, the student communities are hereby advised not to move here and there in the University campus and leave the University campus as soon as the classes end.

The security concerned of the University are hereby requested to look into the matter and to do the needful in this regard.
